Desire roused the demon within him...

Wanting to live freely as a human, half-incubus Tristan flees the Wardens. Broke and starving, he accepts Cory's offer of a paid photo shoot, never dreaming he'd find a man with whom he could be aroused and erotic in his own body without having to submit to his demonic half.

Psychically sensitive Cory didn't meet Tristan by accident; he volunteered to find the beautiful, exotic man for his patron. Cory had never before been able to touch a man without discomfort and soon can't stop, but the hotter the sex gets, the more he can sense the darkness Tristan is trying desperately to escape.

Cory will do anything to keep Tristan safe, even if it means going against both his patron and the Wardens. Cory must learn how to soothe the demon—and to love the man within.
