## **From Book 1:**

Josie Prescott's friends thought she was nuts when she left her high-paying New York auction house job and her boyfriend to live on the rugged and beautiful New Hampshire coast. Truth is, Josie wondered a little herself--never mind that her peripheral involvement in a well-publicized price-fixing scandal made the possibility of a new start incredibly enticing.

Things are looking better, though, now that she's got her own auction business up and running and has made something of a success of her new life. That is, until she gets mixed up in murder, and the supremely eligible but emotionally distant local police chief seems to think she's the prime suspect.

Josie has suddenly got a lot to lose and no desire to leave her new life--or the possibility of a little romance--behind. So she sets her mind on identifying the killer and making the best out of her unfortunate circumstances. After all, Josie is grateful for her second chance in life and knows a third is just too much to ask...especially with a vicious killer on the loose.

*Consigned to Death* is the first novel in Jane K. Cleland's delightful series of mystery and antiques on the New Hampshire coast.
