## **Spiritual Intelligence: Discover Your SQ. Deepen Your Faith.** Alan E. Nelson **Take Charge of Your Spiritual Maturity**

Many people are active in church their entire lives but never mature as disciples. In *Spiritual Intelligence*, leadership development specialist and former pastor Alan E. Nelson helps you take charge of your spiritual growth. He shows you how to incorporate methods Jesus used in teaching his disciples. Spiritual intelligence, a person's ability to assimilate faith into everyday life, is the key to lifelong Christian growth. In this practical book, you will assess your own spiritual maturity and learn what steps to take next in your journey of discipleship.

"A clear, comprehensive, and biblical road map for the journey of spiritual formation. This guide will help us avoid ditches of extremes on either side of the road and lengthy excursions that yield no worthwhile destinations."--Steve Stroope, pastor, Lakepointe Church, Rockwall, Texas

"I'm afraid much of what passes for growth and spiritual intelligence in contemporary Christianity resembles what Nelson labels 'faux fruit.' In a world increasingly filled with paid-for experiences, people wishing to truly follow Jesus had better heed the call, embrace these disciplines, and grow in faith, knowing the world offers no better experience."?James H. Gilmore, coauthor, *The Experience Economy*

Alan E. Nelson (EdD) is a leadership development specialist. He was a pastor for more than twenty years and is the author of fourteen books on personal growth and leadership. He is the founder/CEO of KidLead, an organization dedicated to training effective, ethical leaders.
