The Serpents Trail (Maxie and Stretch Mystery) Sue Henry

At sixty-three, Maxie McNabb is cruising down the Alaska Highway in her brand-new Winnebago. With her mini-dachshund at her side and the open road ahead, she's never been happier. But before her exploration of the Lower Forty-eight gets underway, Maxie needs to figure out who burgled her friend's Colorado home—and why. And the closer Maxie gets to solving the puzzle, the more it becomes chillingly clear that her friend's life isn't the only one on the line.
