In the cool, wooded mountains of the South, each log cabin has a rich history and a unique personality. Homeowners featured here have preserved the age-old qualities of their cabins while renovating, revitalizing, and redecorating these treasures to support modern living and reflect their personal style.

Emily Followill's stunning photography shows every cozy corner of thirteen homes located in Tennessee, Georgia, North Carolina, Alabama, and Virginia. The writing tells the story of how each cabin and owner came together; as the owners changed their cabins, the cabins invariably changed the owners as well.

EMILY J. FOLLOWILL has been photographing architecture, interiors and lifestyle for twenty years. Her work is recognized in national and international publications, including Veranda, Better Homes and Gardens, Traditional Home, Atlanta Homes and Lifestyles, Garden and Gun, Southern Living, and many others. Emily lives in Atlanta.
