Meatball came and curled up by the bed.

'Hey boy.' He thought. 'Terick is good. Be easy on him. There is somebody coming though.

Somebody who is going to trick the family. I don't, or can't tell you who, but please, be careful on who you trust from here on out. The people in this house right now are the only ones that you can really trust."

Nobody slept really well that day. There were 2 couches in the living room, so Terick was right across from Bella's parents, and when he did get up once to use the restroom, Herbie was watching when he came back, timing how long he was gone. He pretended not to see, and crawled back under the sheet and thought to himself, 'I can't wait till Bella and I can be alone, in our own home.' He had enough money saved up, and if she could move in with him... or better yet, they get married, and he move in here, things would be better. When everything came out, things would change anyways. Bella and him decided to tell EVERYTHING.
