Unmasking the Antichrist Ron Rhodes

The identity of the Antichrist is a topic of hot debate today. Adding fuel to the flame of rampant speculation are voices saying the Antichrist might be a Muslim or a Jew—a view that respected Bible scholar and bestselling author Ron Rhodes argues against in this revealing, Scripture-based exploration of:

- what God’s Word does and does *not* tell us about the Antichrist
- the advance signs, power moves, and eventual fall of this person
- the mysterious “Gog”—leader of Northern military coalition mentioned in Ezekiel

It is time for a trustworthy study of this topic to take the place of emotion-based suspicions. Believers, followers of end-times news, and anyone anxiously watching the turmoil of today’s political landscape will be thankful for this thorough, straightforward resource. Excellent for church and personal libraries.

As a university student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just small students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Unmasking the Antichrist can make you really feel more interested to read.
