**Hot Blood** Tony Richards

*Who dares to challenge a vampire?*

Two very different immortal creatures have arrived in New York City. One is Tanya Merrit, the last of the Ykrall, a race that lives among—and depends on—human beings.

The other is Janos Wolkan, an ancient and extremely powerful vampire. He has with him a brood of servants, humans that he has converted. But one of his servants is dying. And Wolkan has chosen Tanya's lover, Kathy Harrison, as a replacement. When he kidnaps her, Tanya sets off in a pursuit that will lead her around the world...and into a battle to the death between immortals.
