## **Doctora Margaret en Delhi (Spanish Edition)** Waheed Rabbani

La Doctora Margaret en Delhi es el Libro 2 de la Serie Azadi, y continuación del Libro 1, El Cofre de Mar de la Doctora Margaret. Esta novela de ficción histórica continúa el viaje de Margaret desde el tiempo cuando ella y su marido canadiense participaron en la guerra en Crimea en 1854.

La Doctora Margaret viaja sola a la India para poder estar con sus padres en la Misión Presbiteriana Americana en Futteguhr, y de allí a su puesto en un hospital en Delhi. Allí no sólo tiene que sobreponerse a las presiones del trabajo, pero también enfrentarse a sus contrincantes, y a las intrigas de los Mughal en el Fuerte Rojo de Delhi.

Los eventos que desencadenaron el Motín Indio/Rebelión, que estalla en 1857 afectaron profundamente no sólo a la vida de Margaret, pero también a las de los que la querían y las de otros que le deseaban mal.

También involucrado en toda la conmoción de esta época está el Sepoy Sharif Khan Bhadur, el abuelo del Doctor Wallidad, médico americano.

Esta serie cubre los eventos emocionantes y la conmoción que arrasaron a la India desde 1857 hasta 1947 y tuvieron como resultado la posterior independencia del país. Esas incidencias están descritas en los capítulos del relato de esa época, y luego los de las vidas de sus descendientes en los años 1960.

"Una continuación y segunda parte para una trilogía, emocionalmente fascinante e históricamente correcta, que engancha al lector" – Kirkus Reviews
