El Inventario de las Naves (Spanish Edition) Alexis Iparraguirre

El Inventario de las Naves penetra el mundo de lo ominoso. Las siete historias que componen el tejido del libro se mueven alrededor de un cataclismo que desfigura la ciudad. Adolescentes asediados por una droga alucinógena, cartas del tarot que auguran lo peor, un detective que persigue a un asesino erudito y el submundo que aflora en la catástrofe, se entrelazan en una narrativa mordaz que atrapa las maldades y las fantasías que emergen antes, durante y después del advenimiento del caos.
