Surrealism in Greece: An Anthology (Surrealist Revolution Series)

Surrealism in Greece: An Anthology (Surrealist Revolution Series)

In the decades between the two World Wars, Greek writers and artists adopted surrealism both as an avant-garde means of overturning the stifling traditions of their classical heritage and also as a way of responding to the extremely unstable political situation in their country. Despite producing much first-rate work throughout the rest of the twentieth century, Greek surrealists have not been widely read outside of Greece. This volume seeks to remedy that omission by offering authoritative translations of the major works of the most important Greek surrealist writers. Nikos Stabakis groups the Greek surrealists into three generations: the founders (such as Andreas Embirikos, Nikos Engonopoulos, and Nicolas Calas), the second generation, and the Pali Group, which formed around the magazine Pali. For each generation, he provides a very helpful introduction to the themes and concerns that animate their work, as well as concise biographies of each writer. Stabakis anthologizes translations of all the key surrealist works of each generation—poetry, prose, letters, and other documents—as well as a selection of rarer texts. His introduction to the volume places Greek surrealism within the context of the international movement, showing how Greek writers and artists used surrealism to express their own cultural and political realities.

Tina Wilson:

People live in this new day of lifestyle always attempt to and must have the extra time or they will get great deal of stress from both lifestyle and work. So , once we ask do people have time, we will say absolutely without a doubt. People is human not really a huge robot. Then we consult again, what kind of activity do you have when the spare time coming to you of course your answer will probably unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, typically the book you have read is actually Surrealism in Greece: An Anthology (Surrealist Revolution Series).

Victoria Austin:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Surrealism in Greece: An Anthology (Surrealist Revolution Series) can make you truly feel more interested to read.
