The Malay Art of Self-Defense: Silat Seni Gayong Sheikh Shamsuddin

Silat Seni Gayong is an art of self-defense, a fighting art but one that also emphasizes the development of the self, becoming a better person, and serving humanity. Sometimes compared to a tiger ready to devour its prey, Gayong helps practitioners develop and increase physical fitness, flexibility, mental conditioning, and self-confidence. Author Sheikh Shamsuddin, who has studied Gayong for 25 years, introduces this little-known practice to Western readers in this first book on the subject in English. The most comprehensive study in any language on Gayong and its customs, *The Malay Art of Self-Defense* explores in depth the system, techniques, crucial elements, and philosophies involved. Also covered are the art's history, profiles of the most notable practitioners, and an informative Q&A collected from various martial art practitioners to expand readers' knowledge and appreciation. Included are photos of Gayong demonstrations, traditional training centers, customs, and events.
