## Unconventional Warfare (StonyMan) Don Pendleton

National security missions requiring stealth, speed and direct action bring Stony Man into play. With a mandate to get the job done, this seasoned strike force is backed by a brilliant cybernetics team equipped to take real-time intelligence to the battlefield. At presidential command, Stony Man is armed and ready to fight back against tyranny and terror.

An international crime ring rooted in China's underbelly is distributing raw materials for weapons of mass destruction. To halt the pipeline's uranium-smuggling operation, Phoenix Force is deployed to the Congo, while Able Team moves through the streets of Nicaragua, going up against cartels, corrupt officials and the Armenian mafia. Severely battered by calculated counterstrikes, Stony Man suffers casualties in an escalating battle to halt the sale of nuclear material, which is fast becoming a personal race against death....
