**Wildflower** Drew Barrymore

**The heart-stirring *New York Times* bestseller that *InStyle* called “deeply thoughtful and fun,” now in paperback, shares funny, insightful, and profound stories from Drew Barrymore’s past and present, told from the place of happiness she’s achieved today.**

*Wildflower* is a portrait of Drew's life in stories as she looks back on the adventures, challenges, and incredible experiences she’s had throughout her life. It includes tales of living in her first apartment as a teenager (and how laundry may have saved her life), getting stuck under a gas station overhang on a cross-country road trip, saying good-bye to her father in a way only he could have understood, and many more journeys and lessons that have led her to the successful, happy, and healthy place she is today.
