A Drop of the Hard Stuff (Matthew Scudder) Lawrence Block

"Right up there with Mr. Block's best....A DROP OF THE HARD STUFF keeps us guessing."--Tom Nolan,
Wall Street Journal

Facing his demons in his first year of sobriety, Matthew Scudder finds himself on the trail of a killer. When Scudder's childhood friend Jack Ellery is murdered, presumably while attempting to atone for past sins, Scudder reluctantly begins his own investigation, with just one lead: Ellery's Alcoholics Anonymous list of people he wronged. One of them may be a killer, but that's not necessarily Scudder's greatest danger. Immersing himself in Ellery's world may lead him right back to the bar stool.

In a novel widely celebrated by critics and readers, Lawrence Block circle back to how it all began, reestablishing the Matthew Scudder series as one of the pinnacles of American detective fiction.
