Casa de niebla (Spanish Edition)

María Luisa Bombal

Casa de niebla (Spanish Edition) María Luisa Bombal

Casa de Niebla se inicia con una advertencia: “No habrá asesinato ni asesino, pero sí existirá un crimen”. Ubicada en los primeros días del siglo XX, esta no vela cuenta la historia de Helga en una mansión cercada por la niebla, mientras el fantasma de Teresa aparece todas las noches rondando las aguas de la laguna. Se crea así la atmósfera de una novela llena de sombras y misterios para la protagonista, que vive el amor no correspondido e incursiona en la realidad onírica. Escrita en la década de los cuarenta, la estética gótica se elabora utilizando técnicas cinematográficas de aquella época en el estilo tan peculiar de María Luisa Bombal. El crimen descifrado a través del formato detectivesco arroja pistas sobre un adulterio que irónicamente resulta impune. Y en el contraste, lo sobrenatural -la vida más allá de la muerte- se presenta como aquello que no admite pesquisas racionales. Publicada en 1947 en inglés bajo el título House of mist y traducida hasta ahora al francés, sueco, portugués y japonés, después de sesenta y cinco años los lectores de habla hispana pueden acceder a la única obra inédita en español de una de las más grandes escritoras chilenas y latinoamericanas del siglo XX.
