Doris Grumbach

**Extra Innings: A Memoir** Doris Grumbach

**A New York Times Notable Book: A moving glimpse of a life shrewdly examined**

*Extra Innings* follows a year in the life of Doris Grumbach, beginning with the release of her previous memoir and journal, *Coming into the End Zone*, and revealing that the devoted essayist, novelist, and critic possesses as keen an eye in her seventies as she did when she wrote *The Spoil of Flowers* thirty years earlier.

Grumbach details each passing month and the trials and tribulations therein. Age and experience have tempered her anger, allowing her to view the world in a rosier light than she has before. In this eventful period that concludes with her move from Washington, DC, to Maine, Grumbach travels between signings and speeches, describes her home life in a new state, and deals not only with her own mortality, but with that of her daughter. Grumbach's wisdom and wit endure as she looks back on her own memories, seeing the world as only Doris Grumbach can.
