When the safest place she knows...

The last year of Amber McNair's life has been a whirlwind of jet-setting back and forth across the country, smiling for the cameras and speaking on behalf of full-figured women worldwide. While grateful for the opportunity to become a national foundation's spokesperson on the growing obsession with body image, Amber is exhausted and hasn't had a moment to enjoy herself in far too long. The final leg of the promotional tour being held on a seven night cruise was a godsend. The sexy guy on the boat that takes her breath away from the first second she sees him, is a delicious perk; but Amber's been heartbroken before, so this time, she's not so sure she should indulge.

...is in his arms.

Brandon Donovan is at his company's annual morale-boosting and celebratory event. After years of attending the boring weekend-long stays at some secluded resort, this time, Brandon finds himself on a Caribbean cruise. Timing could not be worse for him to be somewhat off the grid, considering what he and his cousins have just learned about the Senior Donovans, but meeting the charming and beautiful spokesperson for a national company is refreshing. Spending a sultry and sensual night with her was more rewarding than he could have ever imagined. Until he learns that she may not be who she says she is and that her true identity may lead him to the man who claims to be a Donovan.

**AUTHOR'S NOTE: This book is #13 in a series. While it may not be necessary to read each book that has come before this one, it is highly recommended that HEART OF A DONOVAN, EMBRACED BY A DONOVAN and WRAPPED IN A DONOVAN be read before reading this book, as there is a continuing plot in each of these stories.
