Seven Minutes in Heaven
Naughty Games, Book One
In honor of her friend's birthday, Bev Navarro does something she swore never to do again, enter Holden Lancaster's home. At one time the two had been part of a close-knit group of friends, but that all changed thanks to one game of Seven Minutes in Heaven. Holden can't understand why Bev is avoiding him. He can only hope tonight's festivities will give them the time needed to mend old wounds. But one look at her face tells him he's in for a night of disappointments. The birthday surprise is on them though, because they're receiving a gift neither will ever forget. The stopwatch is going, and the only question is, will they make the same mistake the second time around? I Never
Naughty Games, Book Two
Thanks to his friend's thirtieth birthday, Tripp Kowlaski is forced to face the two people he's been avoiding for the last year-Skylar Daveigh and Gideon Foley. At one time the three of them had been part of a close-knit group of friends, but that all changed thanks to one game of I Never. Some things can't be forgiven or forgotten. Unfortunately for Tripp, Gideon isn't in the mood to do either. He and Skylar are happy now together. The last thing either of them needs is to be reminded of what they can't have. Skylar is conflicted. She's in love with two men who can't move past their anger or fear to admit their love for one another. All she wants is the three of them to be happy, together, but some wishes aren't meant to come true. The birthday surprise is on them though, because they're receiving a gift none of them will ever forget. The only question is, will they make the same mistake the second time around? Double Dare
Naughty Games, Book Three
Paige Reyes is going to kill Shane Oxley if it's the last thing she does. Not only did the cold-hearted blackmailer force her to attend his thirtieth birthday party, he used her love for her brother to do it, giving her just one more reason to dislike him.
