Fear wears many skins.

Deep within the Canadian wilderness, people have been disappearing for over a century. There is a place the locals call “the Devil’s Woods”, but to speak of it will only bring the devil to your door. It is a place so evil that even animals avoid it.

When their father’s expedition team goes missing, Kyle Elkheart and his brother and sister return to the abandoned Cree Indian reservation where they were born. Kyle can see ghosts that haunt the woods surrounding the village—and they seem to be trying to warn him. The search for their father will lead Kyle and his siblings to the dark heart of the legendary forest, where their mission will quickly become a fight for survival.
