Each year millions of high school students dedicate a Saturday morning to taking the Scholastic Aptitude Test, more commonly referred to as the SATs. These tests are important because 92 percent of colleges require applicants to report their scores. Recently the average score for critical reading was 502, for math 515, and for writing 494. How can you boost your scores and stand out from the crowd when applying to college? Reading *101 Ways to Score Higher on Your SAT Reasoning Test*, and employing the practices found within, is one way to do so.

In this new book, you will learn about and understand the scoring system, as well as the format and content. You will learn how to read questions correctly, how to control your anxiety, and how to approach each section. In addition, you will be presented with a list of resources to help you prepare and dozens of teacher-recommended strategies.

*101 Ways to Score Higher on Your SAT* is filled with math, English, and writing practice questions; step-by-step instructions on writing an effective SAT essay; reviews of critical reading, grammar, and correct usage; and reviews of the most important math concepts. Some of the study strategies included are answering the easy questions first, making educated guesses, and budgeting your time. This book also directs you to a variety of resources for more practice tests, guidelines, and information about the standardized test which was taken by more than 1.5 million students recently.

Instead of panicking and worrying about the SATs, pick up this book and be confident in your test-taking abilities. Whether you are taking the test for the first time or for the fifth, you will learn valuable information and practical tips for improving your score.
