## **Hangman's Brae: True crime and punishment in Aberdeen and the North-East** Norman Adams

Hangman's Brae is a vividly written account of the blood-curdling crimes and brutal forms of punishment of north-east Scotland. The book explores the area's underworld and features the grave-robbers, jail-breakers, rioters and other lawbreakers whose crimes led them to premature deaths at the end of a rope or at the not so delicate hands of The Maiden, a gruesome decapitating device pre-dating the French guillotine.
