The All of It

Jeannette Haien

The All of It Jeannette Haien

Jeannette Haien's award-winning first novel relates the seemingly simple tale of a parishioner confiding in her priest, but the tangled confession brings secrets to light that provoke a moral quandary for not only the clergyman, but the reader as well. Set in a small town in Ireland, Haien's intimate novel of conversations and dilemmas—perfect for readers of Paul Harding's *Tinkers*, Marilynne Robinson's *Gilead*, and Flannery O'Connor's *Wise Blood*—is “an elegantly written, compact and often subtle tale of morality and passion that gives voice to an age-old concern in a fresh way” (*New York Times Book Review*). Harper Perennial breathes new life into this 1986 classic in a new edition with an introduction by Ann Patchett.

From reader reviews:

Alan Johnson:

Typically the book The All of It has a lot of information on it. So when you read this book you can get a lot of advantage. The book was authored by the very famous author. The writer makes some research prior to write this book. That book very easy to read you can get the point easily after perusing this book.

Arthur Atwood:

Your reading 6th sense will not betray an individual, why because this The All of It publication written by well-known writer we are excited for well how to make book that could be understand by anyone who all read the book. Written inside good manner for you, dripping every ideas and writing skill only for eliminate your own personal hunger then you still hesitation The All of It as good book but not only by the cover but also by content. This is one guide that can break don't assess book by its cover, so do you still needing another sixth sense to pick that!? Oh come on your examining sixth sense already alerted you so why you have to listening to an additional sixth sense.

Carissa Taylor:

This The All of It is great reserve for you because the content that is certainly full of information for you who all always deal with world and possess to make decision every minute. This book reveal it info accurately using great coordinate word or we can claim no rambling sentences inside it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but challenging core information with wonderful delivering sentences. Having The All of It in your hand like obtaining the world in your arm, details in it is not ridiculous a single. We can say that no e-book that offer you world in ten or fifteen tiny right but this guide already do that. So , it is good reading book. Hey there Mr. and Mrs. busy do you still doubt that will?

Pedro Dillon:

Reading a book to be new life style in this yr; every people loves to examine a book. When you learn a book you can get a large amount of benefit. When you read ebooks, you can improve your knowledge, due to the fact book has a lot of information upon it. The information that you will get depend on what sorts of book that you have read. If you want to get information about your review, you can read education books, but if you want to entertain yourself look for a fiction books, these kinds of us novel, comics, in addition to soon. The The All of It will give you new experience in reading through a book.
