The battle is over. The war begins.

Scorpia City enters a new era. The Androts have fallen and the gangsters rule.

The Trackers stand scarred but together, unaware that a new threat stalks them from the shadows of a dying world. A nightmare from Silho's past returns to claim her, driven by an evil more formidable than anything the team has faced before. The Indemeus X has risen.

As the team is ripped apart, new alliances are forged, enemies unite and friendships fall apart. Diega and Shawe fight to survive a new and violent world, while Eli ventures into the darkest levels of the city, making a shocking discovery that will change everything.

Meanwhile in a forgotten place built on secrets and lies, a city spirals into madness, and hope emerges from the darkness.

The Forgotten City is the second book in The Demon War Chronicles. The first book, *The Last City*, is available now.
