Critical Reading Workbook for the SAT (Barron's SAT Critical Reading Workbook) Mitchel Weiner

Concentrating on the Critical Reading section of the newly structured SAT college entrance exam, this test-preparation workbook presents tips, questions, answers, and answer explanations for the section's two main question types—sentence completion questions and reading comprehension questions—as well as extensive vocabulary review. Both the sentence completion and the reading comprehension exercises are organized according to level of difficulty and presented in three sections, labeled from A to C. Students who master Level C in both parts are well on the road to achieving a high Critical Reading score when they take the actual SAT. This new workbook replaces Barron's Verbal Workbook for the New SAT, 11th Edition.
