## **Gli sciiti (Farsi un'idea) (Italian Edition)** Anna Vanzan

Gli avvenimenti di questi ultimi anni in Iran, Iraq e Libano hanno imposto all'attenzione internazionale lo sciismo quale componente politico-religiosa cruciale nel già complesso rapporto tra Occidente e Islam. Gli sciiti appartengono infatti a una delle due grandi famiglie in cui si divide il mondo musulmano e sono circa il 10% contro il 90% della corrente maggioritaria sunnita. L'origine della divisione ha motivazioni più politiche che dottrinali e risale alle lotte civili per la successione dopo la morte del Profeta Muhammad. La storia dello sciismo è ricca di vicende drammatiche e di frazionamenti interni ma anche di una fervida devozione popolare, che ha dato vita a rituali e manifestazioni di grande fascino e impatto emotivo. Un ritratto dell'Islam sciita tra storia, politica e cultura.
