Dancing with the Pole: A Stripper's Diary Bugs B.

Being a dancer/stripper is no easy walk in the park. The people you meet are sometimes the ones you try to avoid in everyday life. But it also can be fun and exciting, depending on who you meet. This book is my diary of my experiences working at a bikini bar in California. I share my conversations with customers as well as with other girls in the dressing room. I give light to our world because no one really knows what we go through as dancers, mothers, daughters, friends, and even sugar babies. From arguing with each other about what was said behind someone's back, to being jealous about a certain customer. This book shares all the juicy details you would want to hear from a dancer/stripper.
