Look Both Ways: Bisexual Politics Jennifer Baumgardner

For the acclaimed author and activist Jennifer Baumgardner, bisexuality has always been more than the "sexual non-preference of the '90s." In *Look Both Ways*, Baumgardner takes a close look at the growing visibility of gay and bisexual characters, performers, and issues on the national cultural stage. Despite the prevalence of bisexuality among Generation X and Y women, she finds that it continues to be marginalized by both gay and straight cultures, and dismissed either as a phase or a cop-out. With intimacy and humor, Baumgardner discusses her own experience as a bisexual, and the struggle she's undergone to reconcile the privilege she's garnered as a woman who is perceived as straight and the empowerment and satisfaction she's derived from her relationships with women.

Part memoir, part pop-culture study, *Look Both Ways* connects the prominent dots of a bisexual community (Alix Kates Shulman, Ani DiFranco, Rebecca Walker, and, of course, Anne Heche) that Baumgardner argues have bridged feminist aims with those of the gay rights movement. *Look Both Ways* is a compelling and current study in bisexual lives lived secretly and openly, and an exploration of the lessons learned by writers, artists, and activists who have refused the either/or paradigm defended by both gay and straight communities.

Barbara Watson:

Are you kind of hectic person, only have 10 or perhaps 15 minute in your morning to upgrading your mind skill or thinking skill possibly analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your small amount of time to read it because pretty much everything time you only find e-book that need more time to be go through. Look Both Ways: Bisexual Politics can be your answer because it can be read by you who have those short time problems.

Mary Barnett:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Look Both Ways: Bisexual Politics can make you sense more interested to read.
