## **El manuscrito de piedra (Spanish Edition)** Luis García Jambrina

A finales del siglo XV, Fernando de Rojas, futuro autor de *La Celestina* y todavía estudiante de Leyes en Salamanca, investiga el asesinato de un catedrático de Teología en una ciudad fascinante y misteriosa inmersa en una época de grandes cambios y conflictos, donde se entrecruzan la situación de los judíos y conversos, las nuevas doctrinas religiosas y un creciente humanismo.

Luis García Jambrina combina con gran habilidad la novela histórica con el thriller en una narración llena de enigmas, tensión e intriga, de la que disfrutarán tanto quienes solo deseen entretenerse con el simple placer de la lectura como aquellos que gustan de la literatura con mayúsculas.

La crítica ha dicho de *El manuscrito de piedra*:

«Una novela que respira y transpira inteligencia sin hacer alarde de ella. La mejor novela del año.» Tino Pertierra, *La Nueva España*

«Resulta difícil, cuando se va leyendo esta buena novela, no pensar en *El nombre de la rosa*, de Umberto Eco, y lo digo para resaltar sus cualidades, ya que el italiano dio un giro muy inteligente a la novela histórica.» J. M. Pozuelo Yvancos, *ABC Cultural*

«García Jambrina convierte en éxito un thriller con Fernando de Rojas como personaje.» Miguel Ángel Villena, *El País*

«El manuscrito de piedra combina a la perfección la estructura clásica de novela detectivesca con un conocimiento que se percibe real, profundo y reposado del ambiente salmantino del primer Renacimiento y de la literatura de la época.» Sergio Vila-Sanjuán, *La Vanguardia*

«Un escenario y una época que sostienen una trama negra al mejor estilo Arthur Conan Doyle.» Paula Corroto, *Público*
