As a successful criminal prosecutor, Preston Cantrell thrives in the hustle and bustle of Baltimore. Much as he loved his grandmother, the cozy streets of his hometown aren't enough for him—not when he can make a real difference in the city. To get back to his career, all he needs is a new home for the energetic puppy he inherited. But when the gorgeous woman who arrives to adopt finds the dog more appealing than he is, Preston's determined to plead his case.

Heaven Montgomery is still shaky after an accident almost claimed her life—and her doctor thinks having a pet would help her deal with the post-traumatic stress. The plan is for Heaven to take her new puppy back home to Boston...but Sweetland's warmth and charm is irresistible. Why should she rush back to the chill and snobbery of her city? In *Just Like Heaven* by Lacey Baker, Heaven's learning, with Preston's help, that life doesn't always care about the plans you've made. Sometimes you just need to let fate—and love—create its own sweet magic.
