La administración desleal de los órganos societarios (Spanish Edition) Gómez-Jara Díez Carlos

Resulta difícil negar que la administración desleal de los órganos societarios goza de una notable actualidad. Basta echar un vistazo a los procesos penales asociados a los escándalos empresariales desatados a comienzos del siglo xxi para comprobar que, en la mayoría de casos, el tipo de conducta que se reputaba delictivo giraba en torno a la administración desleal societaria. La crisis financiera del año 2008 y las previsibles investigaciones penales de las conductas gestoras de los órganos societarios de empresas tales como Lehman Brothers o aig, por citar sólo un ejemplo conocido, vaticinan el inicio de numerosos procedimientos en los años venideros en nuestro país que tengan que ver con este delito tan característico de la sociedad moderna. Las contribuciones que aquí se contienen pretenden esclarecer los contornos fundamentales de esta forma de administración desleal se recurre continuamente a conocidos casos de la jurisprudencia alemana y española proporcionando herramientas a los operadores jurídicos para una aplicación más coherente del Derecho penal en un campo especialmente necesitado de seguridad jurídica
