"I thought I had a cheating boyfriend - what I learned from this book renewed the hope in my relationship"

Who else wants to have the skills to know whether a person is being honest, or hiding immense deceit?

After you read and apply the skills from One Heart Too Many, you'll not only have a transparent view of other people, you will also know a great deal more about them. You will have insights as to why family and friends respond a particular way, as well as knowing when that next car salesman is lying to you.

Most importantly though, the quality of relationships you enjoy will be real. You will know the telltale behavior that cheaters have, from their body language, their speech patterns and many other psychological keys and how you can be aware of them. You will be able to identify deceit a mile away, which can be a complete reality shifter.

Just some of the topics covered in One Heart Too Many:

- Learn how to catch a cheat with secret methods used by top government agencies to know immediately if someone is being truthful
- Discover how a cheaters own eyes can give you a crystal clear picture to the truth
- Dozens of techniques that can turn you into a human lie detector
- The Golden signs of cheating and infidelity that will show you where to pay attention (areas that cheaters always forget to cover!)
- Answers to questions like "why do men cheat, and is he cheating" revealed with an in-depth look as to why men cheat
- Gain laser clarity of what is important in your life... and what isn't
- The sure fire way to get clear about love and improve your relationships overnight
- How to leave the rinse-repeat patterns of your past... in the past
- Secrets to surviving infidelity and how to move on from a cheating spouse

One Heart Too Many gives you the option to get back in the driver's seat of your life and be fully present and aware with the situations and relationships you find yourself in.
