The Mystic Masseur (Vintage International)

V.S. Naipaul

The Mystic Masseur (Vintage International) V.S. Naipaul

In this slyly funny and lavishly inventive novel—his first—V. S. Naipaul traces the unlikely career of Ganesh Ramsumair, a failed schoolteacher and impecunious village masseur who in time becomes a revered mystic, a thriving entrepreneur, and the most beloved politician in Trinidad. To understand a little better, one has to realize that in the 1940s masseurs were the island's medical practitioners of choice. As one character observes, "I know the sort of doctors they have in Trinidad. They think nothing of killing two, three people before breakfast."

Ganesh's ascent is variously aided and impeded by a Dickensian cast of rogues and eccentrics. There's his skeptical wife, Leela, whose schooling has made her excessively, fond. of; punctuation: marks!; and Leela's father, Ramlogan, a man of startling mood changes and an ever-ready cutlass. There's the aunt known as The Great Belcher. There are patients pursued by malign clouds or afflicted with an amorous fascination with bicycles. Witty, tender, filled with the sights, sounds, and smells of Trinidad's dusty Indian villages, **The Mystic Masseur** is Naipaul at his most expansive and evocative.

From the Trade Paperback edition.
