Conflicto armado, justicia y reconciliación (Justicia y Conflicto) (Spanish Edition) María José González Ordovás

Esta obra no se orienta a analizar el estado del conflicto armado colombiano, sino que parte de la clara conciencia de la realidad nacional en la que la población civil ha quedado cautiva en medio del conflicto y del fuego cruzado entre las partes, sometida al albur de los poderes ilegales que disputan con el poder estatal la organización de la vida cotidiana de la gente en muchas regiones del país. Explora las posibilidades del derecho para incidir sobre la actual situación colombiana en aspectos fundamentales como los límites que demarca el derecho internacional humanitario en aras de la protección de la población civil. Libro en coedición con EAFIT y la Universidad de Zaragoza.
