Following the Still Small Voice: Hearing God in the Midst of Living Dan Armstrong

When God told Dan Armstrong to leave his job as leader over a thriving youth ministry in West Virginia and move his family to Texas, there were no other details provided, Dan and his family were left with only questions. Where in Texas? To what job? What was Dan to do next? Was this message really from God? Life would be so much easier, and take a lot less faith, if God would simply speak to us in a clear and audible voice that would direct our life down an obvious and easy-to-follow path. But as all Christians know, that's not how it works. Dan Armstrong details his own struggle to hear from God in order to determine the direction for his life. You will learn with him that when trying to hear from God, it's not about walking in clarity; it's about walking in obedience and trust.
