Bounty hunter. Federation intelligence agent. Former prisoner of the terrifying Al'ar. Joshua Wolfe had been all those things. Now he's on the hunt for secrets amid the rubble of the Great War.

The Federation want the secrets to stay hidden, as does the Chitet cult, who have their own interests in the Al'ar. Wolfe will have to fight them all as he travels from a mothballed fleet of starships to a lethal world of robot protectors . . . and finally, face to face with an enemy more terrible than any mankind has faced.

The future lies in the hands of the Shadow Warrior.
