**Ocurrió una noche (Los Logan) (Spanish Edition)** Raeanne Thayne

Jamás habría creído que su apasionada aventura aparecería en el periódico...

Después de que una increíble transformación le diera la confianza necesaria para presentarse en aquel baile benéfico, Katie Crosby pasó de ser una coqueta inofensiva a una fiera en el dormitorio. Pero no iba a permitir que la noche de pasión desenfrenada que había pasado con su archienemigo Peter Logan se convirtiera en algo más.

Cuando por fin consiguió encontrar a la misteriosa belleza en una aislada casita, Peter descubrió su verdadera identidad... y supo que iba a ser padre. No había podido dejar de pensar en ella desde que había aparecido en su vida, por lo que decidió convencerla de que lo que habían compartido aquella noche podría durar siempre.
