## **The Future of Strategy** Colin S. Gray

Strategy is not a modern invention. It is an essential and enduring feature of human history that is here to stay. In this original essay, Colin S. Gray, world-renowned scholar of strategic thought, discusses the meaning of strategy and its importance for politicians and the military as a means of achieving desired outcomes in complex, uncertain conditions.

Drawing on a wide range of examples from the Great Peloponnesian War to the Second World War, Vietnam, and the ongoing conflicts in Iraq and Afghanistan, Gray ably shows how great military thinkers of the past and present have acted strategically in their various ideological, political, geographical and cultural contexts. Looking to the future, he argues that strategy will continue to provide a vital tool-kit for survival and security, but that the global threat posed by nuclear weapons remains an on-going challenge without obvious practical solutions. As Gray boldly asserts, there is no promised land ahead, only hard and dangerous times that will require us to master the theory and practice of strategy to secure our own future.

### From reader reviews:

#### John Lee:

This The Future of Strategy book is not really ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is definitely information inside this publication incredible fresh, you will get information which is getting deeper anyone read a lot of information you will get. This specific The Future of Strategy without we understand teach the one who reading through it become critical in pondering and analyzing. Don't end up being worry The Future of Strategy can bring once you are and not make your bag space or bookshelves' turn into full because you can have it in your lovely laptop even phone. This The Future of Strategy having good arrangement in word along with layout, so you will not truly feel uninterested in reading.

#### Sophia Myers:

This The Future of Strategy is great reserve for you because the content and that is full of information for you who else always deal with world and possess to make decision every minute. This particular book reveal it information accurately using great arrange word or we can state no rambling sentences inside it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but challenging core information with lovely delivering sentences. Having The Future of Strategy in your hand like keeping the world in your arm, facts in it is not ridiculous a single. We can say that no reserve that offer you world within ten or fifteen minute right but this reserve already do that. So , this can be good reading book. Hey Mr. and Mrs. busy do you still doubt that?

#### Sylvia Silva:

Within this era which is the greater individual or who has ability to do something more are more precious than other. Do you want to become certainly one of it? It is just simple way to have that. What you need to do is just spending your time very little but quite enough to enjoy a look at some books. On the list of books in the top list in your reading list is usually The Future of Strategy. This book that is certainly qualified as The Hungry Hillside can get you closer in becoming precious person. By looking up and review this book you can get many advantages.

#### Charles Adams:

As a university student exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's soul or real their passion. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Future of Strategy can make you truly feel more interested to read.
