Venus in Furs Leopold von Sacher-Masoch

This unique edition of Venus in Furs from Dead Dodo Vintage includes the full original text as well as exclusive features not available in other editions.

Venus in Furs is a novella by the Austrian author Leopold von Sacher-Masoch, and the best known of his works. The novel was to be part of an epic series that Sacher-Masoch envisioned called Legacy of Cain. Venus in Furs was part of Love, the first volume of the series. It was published in 1870. The novel draws themes, like female dominance and Sadomasochism, and character inspiration heavily from Sacher-Masoch's own life. Wanda von Dunajew, the novel's central female character, was modelled after Fanny Pistor, who was an emerging literary writer. The two met when Pistor contacted Sacher-Masoch, under assumed name and fictitious title of Baroness Bogdanoff, for suggestions on improving her writing to make it suitable for publication. The framing story concerns a man who dreams of speaking to Venus about love while she wears furs. The unnamed narrator tells his dreams to a friend, Severin, who tells him how to break him of his fascination with cruel women by reading a manuscript, Memoirs of a Suprasensual Man.

The novel has been adapted for film several times
