Book of Love Julia Talbot

Dark magic draws them together, but they're generating sparks all on their own.

Culper, Colorado, is a one-everything town. One stoplight. One post office-slash-pawn shop-slash-bakery. And one bookstore, which Shiloh volunteers to watch while the owner is on vacation. It's a nice change of pace to her lonely life.

While perusing the shelves, Shiloh finds a book that contains some shockingly naughty illustrations. When all sorts of mystical disasters start happening, Shiloh is sure they're somehow connected to the book. But by then it's too late to simply put it back on the shelf.

Liam and Elijah's response to the town's call for help is a first. Their first paranormal case, and their first in-person meeting. They're longtime online friends with a common interest in the unexplainable, but they're shocked by the sparks that fly, not only between the two of them, but between them and Shiloh.

Somehow the book's dark magic is not only the catalyst, but is also feeding off their sexual attraction. They must work together to figure out how to put the escaped entity back where it belongs—before it closes the book on their budding relationship.

Warning: Contains wild acts of sexual magic, a porny old book about demons, and a threesome where the boys touch each other as well as their woman.
