It's been 737 days since the Department of Extraordinary Affairs' last vampire incursion, but that streak appears to have ended when a boat full of dead lawyers is found in the Hudson River. Using the power of psychometry—the ability to divine the history of an object by touching it—agent Simon Canderous discovers that the booze cruise was crashed by something that sucked all the blood out of the litigators. Now, his workday may never end—until his life does.
