The Lamb of God

The Lamb of God Sergius Bulgakov

What is our participation in the divine humanity? In explaining this important doctrine, Sergius Bulgakov begins by surveying the field of Christology with special reference to the divine humanity. He considers the role of the Divine Sophia, examines the foundations of the Incarnation, explores the nature of Christ's divine consciousness, and ponders Christ's ministries while on earth. A profound discussion of Christ's *kenosis* as a model for humanity rounds out this comprehensive and valuable study.

The Lamb of God is one of the greatest works of Christology in the twentieth century and a crowning achievement in the examination of the theology of divine humanity.
