Fifty-two stories about the large themes of life, nature and faith. Positive and life-affirming, *52 Original Wisdom Stories* follows the liturgical year and is an ideal resource for public worship. Sid and Rosie are an older married couple, with several children and grandchildren. Through a series of short, engaging narratives, we learn about their faith, their feelings for one another, their hopes and dreams, and their perception of how God speaks to them through the events of their lives. Each story stands on its own; their sequence follows the rhythm of the church's year from Advent through Christmas, Easter, Pentecost, and Harvest Thanksgiving. With an open tone of wonder and reflection, author Penelope Wilcock explores the ordinary and extraordinary topics of daily life: falling in love, marriage, birth, education, illness, woodlands, farming, meeting adversity, hospitality, home-making, work. This beautiful book is ideal for personal reflection and growth and as a refreshing resource for church and small group discussions
