Reluctantly Alice Phyllis Reynolds Naylor

Alice McKinley comes home on the first day of junior high with a list of seven things about seventh grade that stink. Just about the only good thing she can think of is that she's friends with everyone. Maybe that's how to survive seventh grade—make it through the entire year with everyone liking her.

That turns out to be easier said than done, when Alice gets on the wrong side of the school bully, Denise “Mack Truck” Whitlock. But Alice's problems with Denise pale in comparison with the romantic entanglements of both her father and her older brother, Lester. And when Alice decides to help them out...life gets even more complicated.
