**See the world with hopeful eyes!**

Reading the Bible with an open imagination allows you to see the world as God intends.

In much of the world the good news of God has been reduced to a personal, private, psychological interaction with God that gets one ready to go to Heaven. This version of the gospel does not envision God's Kingdom coming on earth and His will being done here as it is in Heaven—thus *hope for what might be is aborted*.

If you believe that Christian faith is largely irrelevant to world events and that Christians have little to offer history, *Soaring Hope* is a thrilling, clarion call to reality—the reality of life more wonderful than you have ever imagined!

When assumptions of what cannot be done on earth are removed, and the Scriptures are allowed to speak their great hope that God is reconciling all things to Himself, then faith arises. Jesus said, “*According to your faith may it be to you*” (Matt. 9:29). As faith rises, the closer you move toward God.

With *Soaring Hope*, you can snuggle right up into the arms of your heavenly Father—today!
