Eden Reid is not interested in prophesy. The problem is that a doozy of a prophesy is bearing down on her. Such is the case when you're a twenty-four-year-old from Brooklyn, New York who is about to discover she is an ancient god. A truly powerful one. And with power comes problems. A truly formidable demon is gunning for her; a zombie-like pandemic is spreading across the country, creating creatures who are hungry for flesh, fast on their feet and *clever*; and there is the mysterious, handsome stranger with powers of his own who claims to have been her lover from a time and a life that Eden cannot remember. He promises to help awaken her powers for the upcoming war. A war where there is only one prize: survival...in *Daughter of Gods and Shadows* from debut author Jayde Brooks.
