Blue Birds

Caroline Starr Rose

Blue Birds Caroline Starr Rose

It's 1587 and twelve-year-old Alis has made the long journey with her parents from England to help settle the New World, the land christened Virginia in honor of the Queen. And Alis couldn't be happier. While the streets of London were crowded and dirty, this new land, with its trees and birds and sky, calls to Alis. Here she feels free. But the land, the island Roanoke, is also inhabited by the Roanoke tribe and tensions between them and the English are running high, soon turning deadly.

Amid the strife, Alis meets and befriends Kimi, a Roanoke girl about her age. Though the two don't even speak the same language, these girls form a special bond as close as sisters, willing to risk everything for the other. Finally, Alis must make an impossible choice when her family resolves to leave the island and bloodshed behind.

A beautiful, tender story of friendship and the meaning of family, Caroline Starr Rose delivers another historical gem.
