Primal Instincts (Primes series Book 9) Susan Sizemore

***New York Times* bestselling author Susan Sizemore draws you into a dazzling world of seductive vampires and unquenchable cravings . . .**

Tobias Strahan leads the elite vampire squad known as the Dark Angels, protecting the city's paranormal denizens. It's the perfect job for an übermacho Prime . . . until clan heiress Flare Reynard stirs an obsession in him that refuses to fade. Flare's mother—desperate for a grandchild—has made Tobias an intriguing proposition, and it's soon clear to Tobias that Flare is nothing like the spoiled princess he'd assumed her to be. She's smart as hell, wickedly funny, and loyal, and Tobias knows deep within that she is his bondmate—the bondmate every Prime searches for.

Flare has every intention of providing her clan with children—but on her own terms. That means a donor and a clinic, not a wild tumble with the most potent Prime of them all. Flare knows it's a mistake to get close to a warrior like Tobias, since their searing connection puts her heart, his loved ones, their entire world at risk. But logic is no match for fierce, instinctive desire. . . .
