The Insurgent Barricade

Mark Traugott

The Insurgent Barricade Mark Traugott

"To the barricades!" The cry conjures images of angry citizens, turmoil in the streets, and skirmishes fought behind hastily improvised cover. This definitive history of the barricade charts the origins, development, and diffusion of a uniquely European revolutionary tradition. Mark Traugott traces the barricade from its beginnings in the sixteenth century, to its refinement in the insurrectionary struggles of the long nineteenth century, on through its emergence as an icon of an international culture of revolution. Exploring the most compelling moments of its history, Traugott finds that the barricade is more than a physical structure; it is part of a continuous insurrectionary lineage that features spontaneous collaboration even as it relies on recurrent patterns of self-conscious collective action. A case study in how techniques of protest originate and evolve, *The Insurgent Barricade* tells how the French perfected a repertoire of revolution over three centuries, and how students, exiles, and itinerant workers helped it spread across Europe.
